Prayer Guide

Pray for Peace in Ukraine

Let us then with confidence draw near to the throne of grace, that we may receive mercy and find grace to help in time of need.

Hebrews 4:16 ESV

1 Pray for Ukrainians. The need for food, water, and basic necessities are at a critical point. Please pray for provisions. Pray for the safe evacuation of all who desire to leave and protection for all who are staying.

2 Pray for churches and church plants across Ukraine. One worker shared that churches in Ukraine have become beacons of hope. Christian Ukrainians are now giving spiritual leadership to people caught in the middle of this conflict. Pray that the Lord will use any persecution as an opportunity for the Gospel to spread.

3 Pray for missionaries. They have temporarily evacuated and yet are able to continue some ministries in an online format. Pray that the Lord would strengthen them as they serve their congregations and students until God opens a door to return. **Pray for WorldVenture Ukraine missionary kids.** This is uniquely difficult for them. Ukraine is where they grew up and to them this is home.

Suggested verses to pray: Psalm 68:2,3, 15-17; Psalm 69:1,2, 14-16; Psalm 121:1-2.

Please send this prayer guide to your friends, family, and pastors to encourage unified prayer for the Ukrainian people as well as the Russian people.

Ukraine, a country in eastern Europe, has a rich heritage and tradition of Christianity that dates back over a thousand years. But challenges like Communism, economic disparity, and ongoing war with Russia and Russian-backed separatists make life for Ukrainians difficult. WorldVenture has a strong presence among Ukrainians with disciple-making, pastoral training, and church leadership development.
