

# Our Hope Is Greater Than The Pandemic

7 Days of Prayer for our World

## Introduction.

We invite you to pray each day for a region of the world impacted by the global pandemic. Use these prayers to inspire your own on behalf of the lost in that part of the world. James 5:16 (ESV) tells us that “The prayer of a righteous person has great power as it is working.” Let’s join together in asking God to spread hope, healing, and the Good News of Jesus Christ throughout the world.

“In His Name the nations will put their hope.”

**Matthew 12:21 (NIV)**

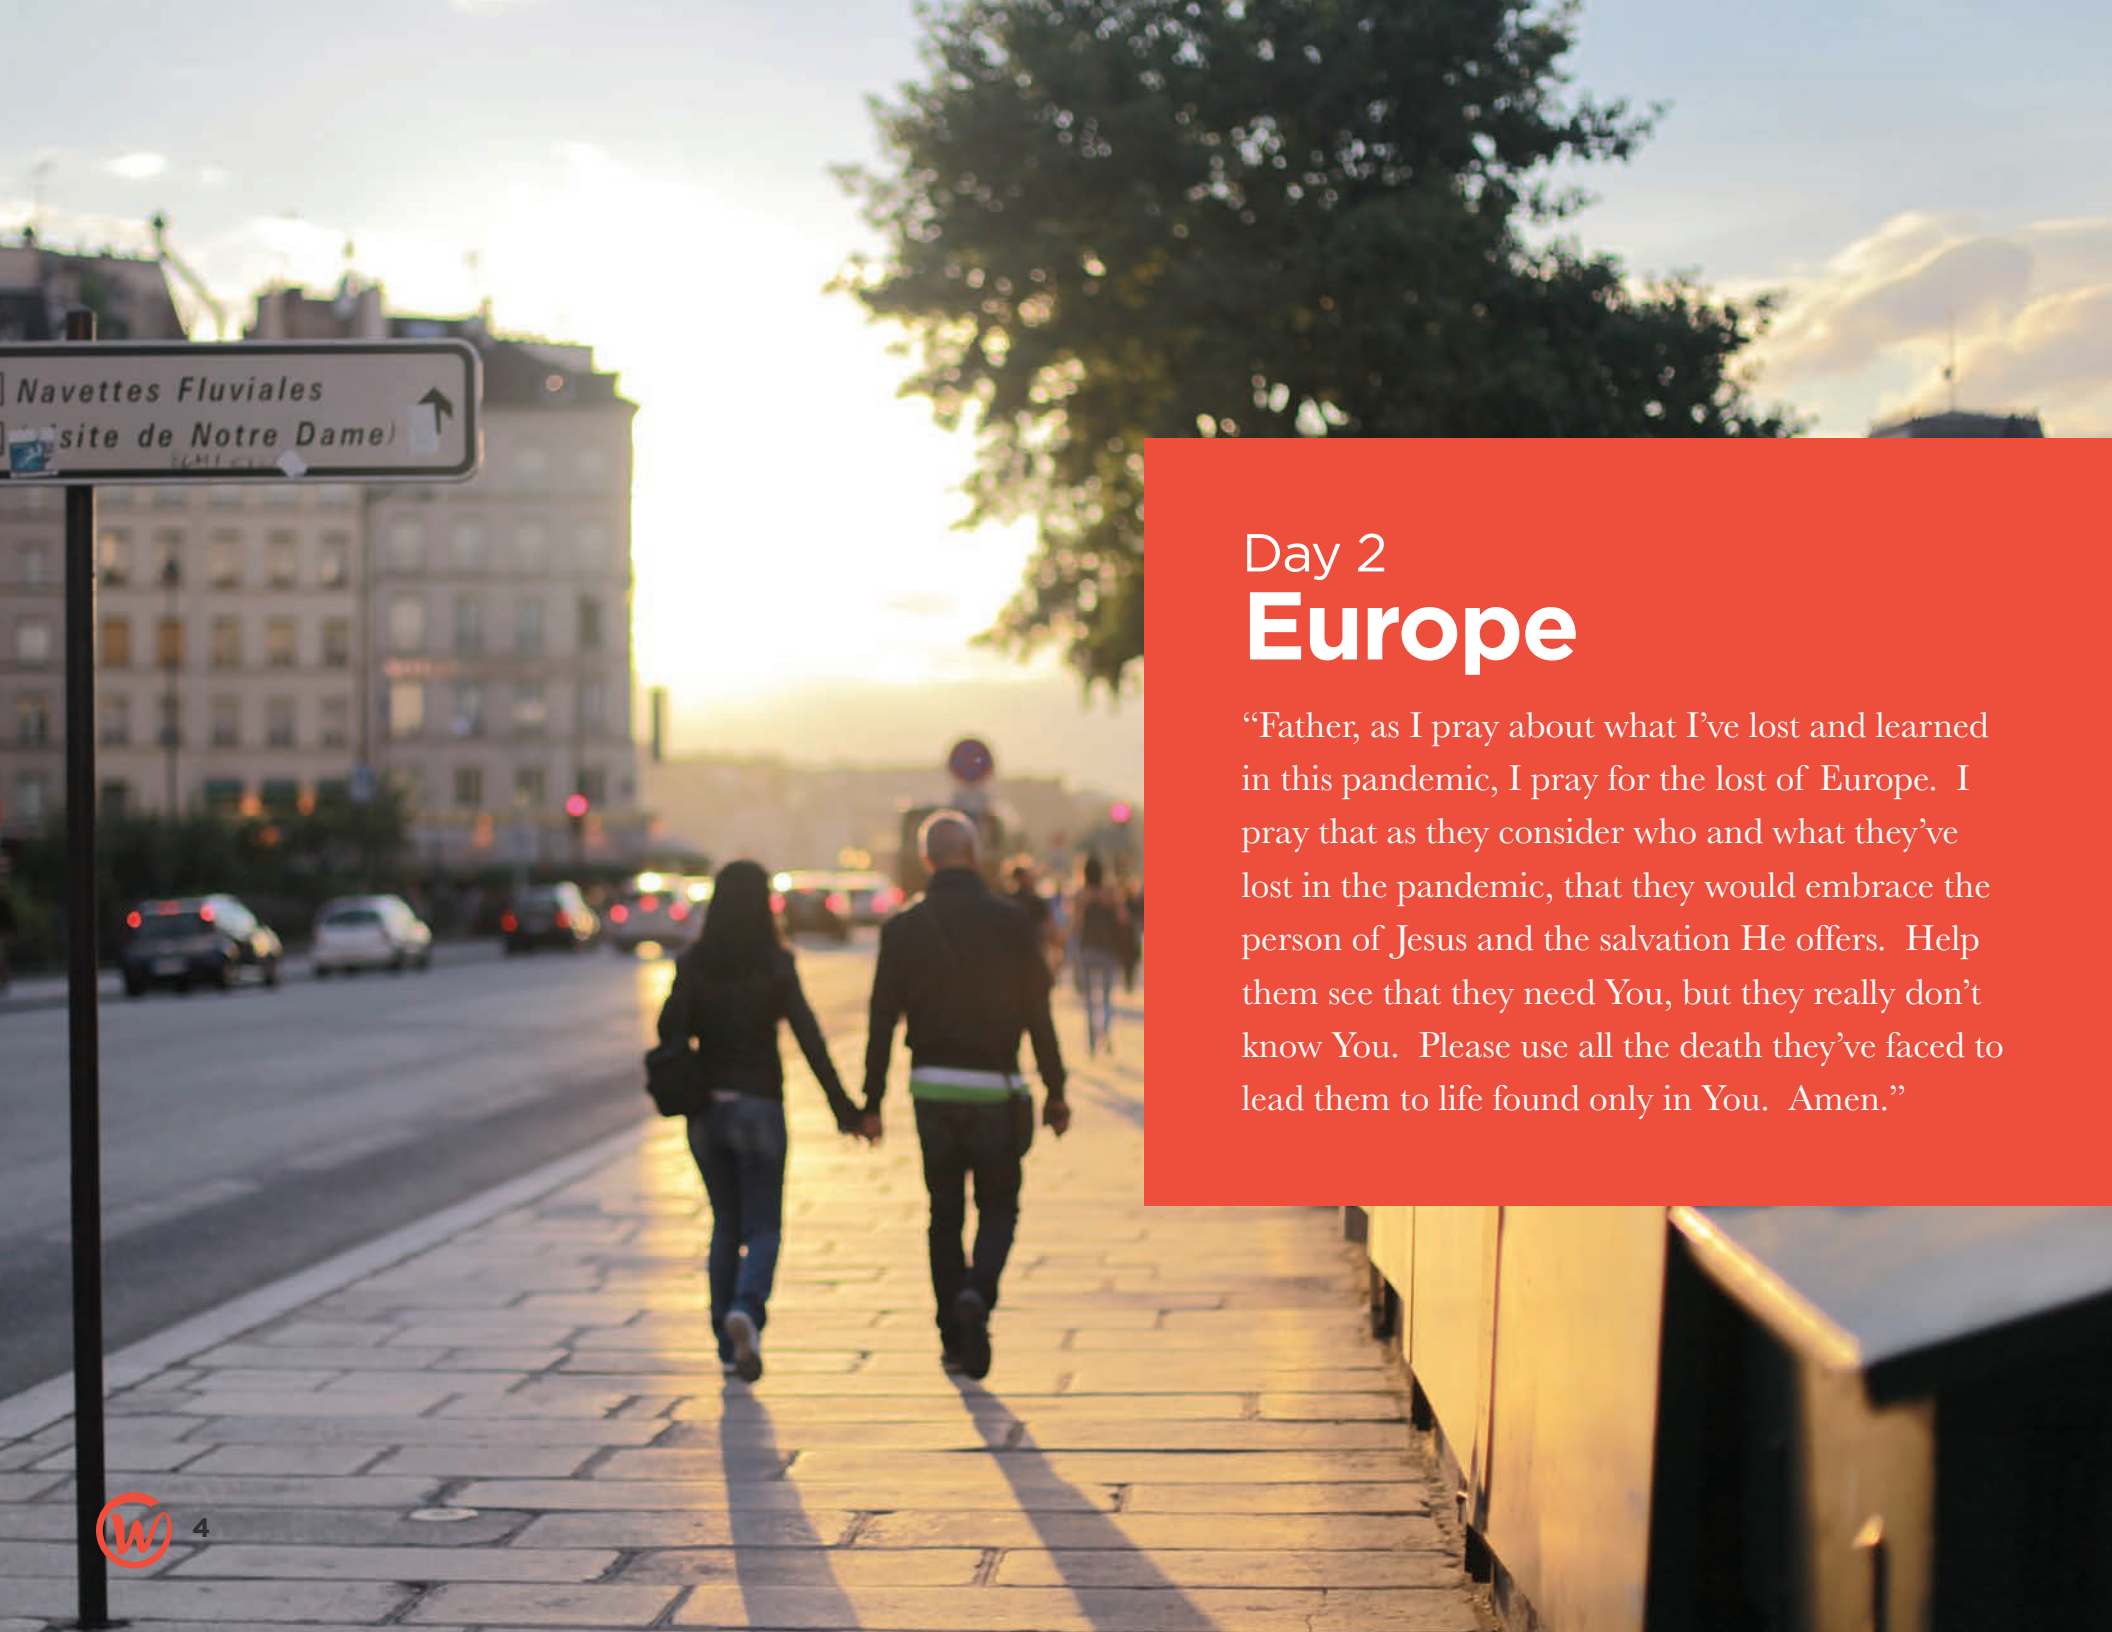

## Day 1 **Asia**

“Father, as I pray about the challenges and concerns I have today, please keep my eyes fixed on You and on the unreached throughout the world. Today, I pray for the lost in Asia. The virus seems to have spread from there; but I pray that the Gospel would spread even more among the peoples of Asia. In spite of the death they’ve experienced, may Your Holy Spirit bring them eternal life through Christ. Amen.”

A couple is walking away from the camera on a wide, paved city sidewalk. The man is on the right, wearing a dark jacket and dark pants, and the woman is on the left, wearing a dark jacket and blue jeans. They are holding hands. The sun is low on the horizon, creating a warm, golden glow and long shadows. In the background, there are city buildings and trees. A street sign is visible on the left side of the frame.

## Day 2 Europe

“Father, as I pray about what I’ve lost and learned in this pandemic, I pray for the lost of Europe. I pray that as they consider who and what they’ve lost in the pandemic, that they would embrace the person of Jesus and the salvation He offers. Help them see that they need You, but they really don’t know You. Please use all the death they’ve faced to lead them to life found only in You. Amen.”

## Day 3 **Latin America**

“Father, as I pray about difficult decisions and hardships resulting from the pandemic, I pray for the lost in Latin America. So many have faced significant poverty and economic troubles; this pandemic has made many bad situations much worse. And yet You are the God who makes beauty from ashes. Please bring light to the darkness, order to the chaos, and true hope to those in despair, by Your Power and for Your Glory. Amen.”

## Day 4 USA/Canada

“Father, as I pray for myself, don’t let me forget to pray for the lost in my city, my region, my country. Sin will always be a greater threat than any pandemic. Psalm 33:12 says in part that “blessed is the nation whose God is the Lord...” I ask that for my country. I ask that Your Spirit would move in a powerful way and that our hearts would be open to You, starting first and foremost with my own. Amen.”

## Day 5 **Africa**

“Father, as I pray for protection for those I know and love, I ask You for protection over the lost in Africa. I pray that You would do mighty works throughout this great continent, that You would push back the enemy of this pandemic, even as You push back the greater Enemy to their souls. May the lost in Africa be found in You. And may the Gospel spread more than any virus. Amen.”

## Day 6 **Middle East**

“Father, as I pray for restoration after this pandemic, I remember that so much of the Middle East has been ravaged by conflict only to now face the destruction caused by the pandemic. And yet You can use this time to bring a new spiritual birth and restoration to the peoples and places that were once thriving with followers of Jesus. Draw the lost in the Middle East to Yourself. Amen.”

A photograph of an elderly woman with short, dark, curly hair, wearing a colorful floral-patterned top and a blue and white plaid sarong. She is sitting at a market stall, leaning her arm on a green plastic basket filled with small items. In the background, there is a sign that says "JUNK!" and some other market items. The image is partially obscured by a dark blue text box on the left.

## Day 7 South Pacific

“Father, as I pray for my neighbors, Your Word reminds me that all peoples to the ends of the earth are my neighbors. And You’ve called me to love them. So I pray for my neighbors, the lost, in the South Pacific. I pray that in the storm that is this pandemic, that they would discover the Rock they can cling to in Jesus Christ. May they experience Your Love even as I have experienced it in Christ. Amen.”
